ALPHORES JUNIOR COLLEGE
Percentage: 78.3%

SSC   **2019- 2020**
Ratnam Global High School
GPA: 10

WORK EXPERIENCE

Doctor Patient Appointment | Link
Developed a Doctor-Patient Appointment System with secure authentication, enabling patients to book, manage, and track appointments. Utilized HTML, CSS, and JavaScript, for efficient scheduling, notifications, and data management. Enhanced functionality with appointment reminders and admin controls for improved efficiency and security.

Smoke Detector
A smoke detector alarm is a fire protection device that automatically detects smoke and also gives us warning. In the proposed system, a smoke detector upon senses smoke activates its alarm, sends a low voltage signal to all other smoke detectors in the vicinity.
